INFORMATION FOR ORDERING ACTIVITIES APPLICABLE TO ALL SPECIAL ITEM NUMBERS

SPECIAL NOTICE TO AGENCIES: Small Business Participation

SBA strongly supports the participation of small business concerns in the Federal Supply Schedules Program. To enhance Small Business Participation SBA policy allows agencies to include in their procurement base and goals, the dollar value of orders expected to be placed against the Federal Supply Schedules, and to report accomplishments against these goals.

For orders exceeding the micropurchase threshold, FAR 8.404 requires agencies to consider the catalogs/pricelists of at least three schedule contractors or consider reasonably available information by using the GSA Advantage!™ on-line shopping service (www.fss.gsa.gov). The catalogs/pricelists, GSA Advantage!™ and the Federal Supply Service Home Page (www.fss.gsa.gov) contain information on a broad array of products and services offered by small business concerns.

This information should be used as a tool to assist ordering activities in meeting or exceeding established small business goals. It should also be used as a tool to assist in including small, small disadvantaged, and women-owned small businesses among those considered when selecting pricelists for a best value determination.

For orders exceeding the micropurchase threshold, customers are to give preference to small business concerns when two or more items at the same delivered price will satisfy their requirement.

CUSTOMER INFORMATION

1. TABLE OF AWARDED SPECIAL ITEMS

- a. Table of Products: See descriptions of products and services that follow.
- b. Lowest Priced Models: See marked under descriptions of products and services that follow.
- c. See descriptions of products and services that follow.

10. FOREIGN ITEMS

All items offered are manufactured in the United States of America.

11. DELIVERY SCHEDULE

a. Time of Delivery: The Contractor shall deliver to destination within the number of calendar days after receipt of order (ARO), as set forth below:

SPECIAL ITEM NUMBER	DELIVERY TIME (Days ARO)
51-409	30 Days or less
51-501	30 Days or less
51-502	30 Days or less
51-503	30 Days or less

b. Expedited Delivery: Items available for expedited delivery are noted in this price list.

c. Overnight and 2 day delivery: Items may be available for overnight delivery. Customer may contact the Contractor for rates on overnight and 2 day delivery.

d. URGENT REQUIREMENTS: When the Federal Supply Schedule contract delivery period does not meet the bona fide urgent delivery requirements of an ordering agency, agencies are encouraged, if time permits, to contact the Contractor for the purpose of obtaining accelerated delivery. The Contractor shall reply to the inquiry within 3 workdays after receipt. (Telephonic replies shall be confirmed by the Contractor in writing.) If the Contractor offers an accelerated delivery time acceptable to the ordering agency, any order(s) placed pursuant to the agreed upon accelerated delivery time frame shall be delivered within this shorter delivery time and in accordance with all other terms and conditions of the contract.

12. FOB TERMS

All shipments are FOB destination for the contiguous 48 states and the District of Columbia. Point of embarkation for Alaska, Hawaii and Puerto Rico.

13. CONTRACTOR'S ORDERING ADDRESS AND PAYMENT INFORMATION:

USA COMMITMENT TO PROMOTE SMALL BUSINESS PARTICIPATION PROCUREMENT PROGRAMS

PREAMBLE

(YOUNTS CONSULTING) provides commercial products and services to the Federal Government. We are committed to promoting participation of small, small disadvantaged and women-owned small businesses in our contracts. We pledge to provide opportunities to the small business community through reselling opportunities, mentor-protégé programs, joint ventures, teaming arrangements, and subcontracting.

COMMITMENT

To actively seek and partner with small businesses.

To identify, qualify, mentor and develop small, small disadvantaged and women-owned small businesses by purchasing from these businesses whenever practical.

To develop and promote company policy initiatives that demonstrate our support for awarding contracts and subcontracts to small business concerns.

To undertake significant efforts to determine the potential of small, small disadvantaged and women-owned small business to supply products and services to our company.

To insure procurement opportunities are designed to permit the maximum possible participation of small, small disadvantaged, and women-owned small businesses.

To attend business opportunity workshops, minority business enterprise seminars, trade fairs, procurement conferences, etc., to identify and increase small businesses with whom to partner.

To publicize in our marketing publications our interest in meeting small businesses that may be interested in subcontracting opportunities.

We signify our commitment to work in partnership with small, small disadvantaged and women-owned small businesses to promote and increase their participation in Federal Government contracts. To accelerate potential opportunities please contact Carol Younts at 4426 Mountain Rd., Pasadena, MD 21122 Voice 202-588-2000 Fax (410) 360-6052 www.younts.com

**BEST VALUE
BLANKET PURCHASE AGREEMENT
FEDERAL SUPPLY SCHEDULE**

(Insert Customer Name)

In the spirit of the Federal Acquisition Streamlining Act (Agency) and (Contractor) enter into a cooperative agreement to further reduce the administrative costs of acquiring commercial items from the General Services Administration (GSA) Federal Supply Schedule Contract(s) _____.

Federal Supply Schedule contract BPAs eliminate contracting and open market costs such as: search for sources; the development of technical documents, solicitations and the evaluation of offers. Teaming Arrangements are permitted with Federal Supply Schedule Contractors in accordance with Federal Acquisition Regulation (FAR) 9.6.

This BPA will further decrease costs, reduce paperwork, and save time by eliminating the need for repetitive, individual purchases from the schedule contract. The end result is to create a purchasing mechanism for the Government that works better and costs less.

(CUSTOMER NAME)
BLANKET PURCHASE AGREEMENT

BPA NUMBER _____

Pursuant to GSA Federal Supply Schedule Contract Number(s) _____, Blanket Purchase Agreements, the Contractor agrees to the following terms of a Blanket Purchase Agreement (BPA) EXCLUSIVELY WITH (Ordering Agency):

- (1) The following contract items can be ordered under this BPA. All orders placed against this BPA are subject to the terms and conditions of the contract, except as noted below:

MODEL NUMBER/PART NUMBER

*SPECIAL BPA DISCOUNT/PRICE

- (2) Delivery:

DESTINATION

DELIVERY SCHEDULES / DATES

- (3) The Government estimates, but does not guarantee, that the volume of purchases through this agreement will be _____.

- (4) This BPA does not obligate any funds.

- (5) This BPA expires on _____ or at the end of the contract period, whichever is earlier.

- (6) The following office(s) is hereby authorized to place orders under this BPA:

OFFICE

POINT OF CONTACT

- (7) Orders will be placed against this BPA via Electronic Data Interchange (EDI), FAX, or paper.

- (8) Unless otherwise agreed to, all deliveries under this BPA must be accompanied by delivery tickets or sales slips that must contain the following information as a minimum:

- (a) Name of Contractor;
- (b) Contract Number;
- (c) BPA Number;
- (d) Model Number or National Stock Number (NSN);
- (e) Purchase Order Number;
- (f) Date of Purchase;

- (g) Quantity, Unit Price, and Extension of Each Item (unit prices and extensions need not be shown when incompatible with the use of automated systems; provided, that the invoice is itemized to show the information); and
 - (h) Date of Shipment.
- (9) The requirements of a proper invoice are specified in the Federal Supply Schedule contract. Invoices will be submitted to the address specified within the purchase order transmission issued against this BPA.
- (10) The terms and conditions included in this BPA apply to all purchases made pursuant to it. In the event of an inconsistency between the provisions of this BPA and the Contractor's invoice, the provisions of this BPA will take precedence.

BASIC GUIDELINES FOR USING “CONTRACTOR TEAM ARRANGEMENTS”

Federal Supply Schedule Contractors may use “Contractor Team Arrangements” (see FAR 9.6) to provide solutions when responding to a customer agency requirements.

These Team Arrangements can be included under a Blanket Purchase Agreement (BPA). BPAs are permitted under all Federal Supply Schedule contracts.

Orders under a Team Arrangement are subject to terms and conditions of the Federal Supply Schedule Contract.

Participation in a Team Arrangement is limited to Federal Supply Schedule Contractors.

Customers should refer to FAR 9.6 for specific details on Team Arrangements.

Here is a general outline on how it works:

- The customer identifies their requirements.
- Federal Supply Schedule Contractors may individually meet the customer's needs, or -
- Federal Supply Schedule Contractors may individually submit a Schedule “Team Solution” to meet the customer's requirement.
- Customers make a best value selection.

DESCRIPTION OF PRODUCTS AND SERVICES

1. GENERAL DESCRIPTION OF SERVICES AND PRICING

Younts Consulting, Inc. (Younts) specializes in all aspects of Document and Records Management including document imaging and process automation. Younts is a **woman-owned small business** currently employing fifteen full-time individuals. Younts handles all aspects of design, consulting, implementation, training, and documentation for a diverse set of clients including among others, law firms and government agencies.

Established in 1996, Younts is one of the largest sellers of customized WorkSite solutions in the United States. They are the only partner recognized by iManage as Global WorkSite Partner of the Year in 2001 and 2004. Younts is a ten-time recipient of the WorkSite Partner of the Year Award. This distinction was not only for the number of seats supported but also for Younts' overall client satisfaction rating. To date Younts has installed over 80,000 WorkSite seats with a reference list of over 300 sites. Unlike other integrators or consulting groups, Younts' level of experience with document management solutions is unparalleled. Younts provides installations supporting WorkSite implementations in unique ways that provide more customized support than traditional firms providing documentation management solutions.

Younts currently employs fifteen individuals full time. Younts' customer base includes over 300 clients with installations of document and records management solutions that range from 40 to 5000 users. As Younts' primary business is Content Management and Process automation, we routinely provide upgrade services for our clients. In addition to document and records management applications, our staff is proficient with major database applications as well as MS SQL, Sybase and Oracle. In addition, our Application Engineers utilize our programmers for any custom programming requirements that may be required or evolve during a projects undertaking. Work is typically performed on a per-hour basis and issued on a quote or task order.

We offer a 5-day system engineer level training for any IT staff handling the system deployment, implementation, installation, and support.

Younts' services provide for engineering, designing, installation, testing, training and maintaining of its full range of document management products. Services offered on most projects consist of Younts Document Management Senior Consultants and/or Document Management Project Managers overseeing the design and engineering, installation, testing and training for document management solutions. Younts has dedicated in house programmers for writing custom applications and modifications for a variety of document management products for both on site and off site projects and has developed over 30 specialized document management applications. Additional services for training and technical documentation writing are available as well when needed.

Younts provides installations supporting WorkSite implementations in unique ways that provide more customized support than traditional firms providing documentation management solutions. In addition to integrating third party software suites, Younts has developed a series of customized add-on applications for use with the WorkSite suite. We are a value added integrator that solves solutions for our clients. The solutions are normally best met by using off the shelf products combined with our customized integrations and software add-ons. This provides, in many cases, a huge cost savings to our clients. It also allows them to take advantage of software updates without the need to rewrite the entire application.

Younts Consulting, Inc. is the leading provider of WorkSite solutions in North America. We have worked with many of the largest Legal, Corporate and Government firms to provide experience and guidance in the planning, design and implementation of custom WorkSite solutions.

Younts has developed a series of customized add-on applications for use with the iManage WorkSite suite that will enhance the value of your software investment.

HOW YOUNTS WORKS

Younts' management concept is to provide turn-key document management solutions on a project-oriented basis. Younts' philosophy is to limit overhead redundancies by first designing and engineering a "blueprint" for the entity's document management requirements. Once accepted by the customer, Younts can propose and utilize the appropriate staff required to complete the project. Rather than assign an arbitrary number of hours to determine what is required, Younts ensures the accuracy of its hours by establishing a pilot program thereby eliminating redundant tasks and providing cost efficiencies to its customers.

Document Management processes are inherently integrated within an entity's work processes as well as the tools it uses to implement document management. In order to provide cost effective document management solutions, Younts' services are focused on defining a document management solution and driving customer satisfaction by creating more user efficiency at a lower cost. Younts always recommends a Pilot Group to evaluate a new system. A system like this is much more than technical. It may require a change in the way information is processed; therefore, it is critical to have involvement from the end user community. Younts Consulting, Inc. has been very successful developing these relationships. For more information visit our website, www.younts.com or call (202) 588-2000.

Each document management project typically utilizes Younts' services in the following systematic process:

- Blueprint=Design and Engineer
- Issue Quote for Product and Services
- Perform Setup of Pilot
- Obtain Customer Acceptance on Pilot
- Perform Installation and Integration of DM solution
- Test
- Train
- Maintenance
- Upgrade Path Recommendations

2. PROFESSIONAL SERVICES DESCRIPTION

The following is a description of Younts Consulting labor categories offered.

SIN #	SIN Description	Labor Category	SCA Labor Category	Description
51-506	DCS	DM Programmer	14072/14073 COMPUTER PROGRAMMER II or III	Proficiency in VB and document management API's. 2+ years experience working with Document Management system components.

SERVICES:

SIN 51-506 – DOCUMENT CONVERSION SERVICES (DCS)

SIN #	SIN Description	Labor Category	SCA Labor Category	Description	GSA RATE*
51-506	DCS	DM Programmer 1	14072/14073 COMPUTER PROGRAMMER II or III	Proficiency in VB and document management API's. 2+ years experience working with Document Management system components.	\$145.00
51-506	DCS	DM Programmer 5	14074 COMPUTER PROGRAMMER IV	Proficiency and expertise in VB and document management API's exceeds 4+ years experience working with Document Management system components. This Programmer performs such duties as: developing, modifying, and maintains complex programs; designs and implements the interrelations of files and records within programs which will effectively fit into the overall design of the project.	\$181.00
51-506	DCS	DM Application Consultant	14160 PERSONAL COMPUTER SUPPORT TECHNICIAN	Responsible for loading and integrating desktop and server applications for document management systems.	\$151.00
51-506	DCS	DM Senior Consultant	14103 COMPUTER SYSTEMS ANALYST III	Proficiency & Expertise to lead a Document Management conversion project. Duties to include server and workstation configuration.	\$173.00
51-506	DCS	DM Technical Writer	30462 TECHNICAL WRITER II (minimum)	Responsible for creating system documentation relating to the configuration of the document management system. Revises or writes material that is mostly standardized for reports, manuals, briefs, proposals, instruction books, catalogs, and related technical and administrative publications concerned with work methods and procedures, and installation, operation, and maintenance of machinery and other equipment.	\$145.00
51-506	DCS	DM Project Manager	14103 COMPUTER SYSTEMS ANALYST III	Responsible for leading a team in the implementation of a content management solution. This person has 5+ years of experience working with various content management systems. Will be responsible for leading meetings and assigning and managing resources. Responsible for meetings, planning, reporting to PM.	\$173.00
51-506	DCS	DM Support Administrator	14043 COMPUTER OPERATOR III (minimum)	Long-term System Administrator. Certified on Document Management systems. 2+ years experience.	\$92.00

* Government User Agencies to be billed .75% IFF, not included in rates shown above.
